

Chapter 99

Sample Test Articles (Fictitious Chapter for Import-Pipeline Testing)

Notes. 1.- This is a fabricated chapter created only to seed and test the tariff import pipeline. HS codes, descriptions and duty rates below are illustrative and do not represent real Sri Lanka Customs tariff data.
2.- Column layout intentionally mirrors the real chapter PDFs (HS Hdg, HS Code, Description, Unit, Gen Duty, Preferential Duty by country code, Excise/S.P.D, SCL, VAT, SSCL, PAL, Cess, ICL/SLSI) so the parser can be validated against a known-clean sample before running on the real 97 chapters.
